

# TELEPHONE FOREMEN ARE NEVER HIRED

*... they're promoted from the ranks!*

In the Illinois Bell telephone organization the men at the top all started at the bottom. Foremen are never hired; they're promoted from the ranks. The same is true of all positions. This established policy of promotion from the ranks means that your telephone service is under the supervision of men and women with thorough training and experience, who know the needs of the service and take personal pride in making it dependable, pleasing and low in cost.

ILLINOIS BELL TELEPHONE CO.

DECEMBER, 1941

## "THE GOLDEN RULE OF TELEPHONING"

**ANSWER PROMPTLY**—otherwise the person calling may think you are not there and hang up, sometimes causing you to miss a very important call.

**SPEAK INTO THE MOUTHPIECE** with your lips about one-half inch from it. This position gives the best voice transmission and the clearest reception.

**SPEAK DISTINCTLY** and about as loud as in ordinary conversation. Your normal tone of voice conveys your message most clearly. No need to shout.

**BE SLOW TO HANG UP** when calling. Stay at the telephone until you get an answer, a "busy signal," or until you are reasonably sure no one will answer.

**BE SURE OF THE NUMBER** before you call. If you're not quite sure, look in the directory. You may save time and avoid a "wrong" number.

**HANG UP GENTLY** after making certain the other person has finished. Banging down the receiver may cause a harsh sound in the other person's ear.

ILLINOIS BELL

TELEPHONE CO.

*When Telephoning . . .*

*Give the Other Person  
Time to Answer*

Your telephone  
may look the same  
... but there's a difference

• Outwardly, your telephone may seem much the same as it was last year—or the year before. But every year it brings better service into your home, your office or your shop—and offers you greater value for the small amount it costs.

The Illinois Bell Telephone Company never gives up its search for better and more efficient equipment and methods of operation. In this it is aided by the research work of the great Bell Telephone Laboratories. Your voice is carried more clearly. Service interruptions are rarer. And in spite of the higher costs the Company has had to meet, continuous improvement in equipment and methods has kept its price so low and its usefulness so great that telephone service is one of the best bargains in your budget.

ILLINOIS BELL TELEPHONE COMPANY
